

CSA Italy

1 | About us

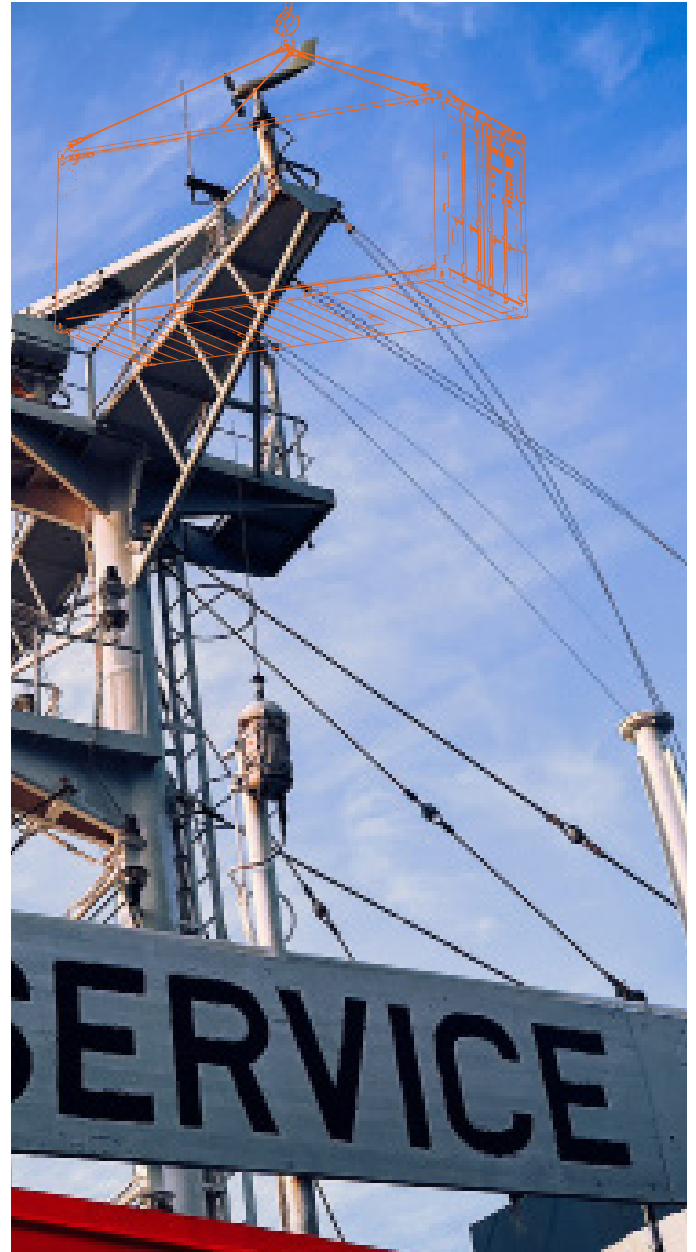

With around 160 people working together in more than 13 own offices, CSA maintain high the service and insure professionalism. CSA as Shipping Agency has two main core business LINER & SHIP SERVICE.

LINER

CSA spa is the General Italian Agent for Africa Express Line and B/L EAGLE for export with the service that currently has as POL Vado Ligure.

We guarantee, in exchange for the mandate, outstanding and continuous marketing and sales activities with operational assistance in the Port and with Logistics.

The sales department covers the national territory, maintain and develop close business relationships with all potential customers.

2 | Services and activities

Since the beginning our core business has concentrated on Liner Services. We are able to deliver added value thorough a number of key factors including:

- Solid commercial structure and financial reliability
- Longstanding presence and expertise
- Close relationships with ports and terminals
- Containerized transport services
- Thorough knowledge of the reefer market
- Customs formalities
- Market potential analysis

3 | Ship service

We are expert in Port Service activities with global attitude and local knowledge, built with a professional capability providing all disciplines of the maritime agency services.

Our professional and experienced staff strives for excellence when performing husbanding-, protective- or full agency services for all possible types of vessels, ensuring a smooth port call.

The organization has the structure below:

-  Head Office in Milano
-  Own offices with port service people in the most important Italian & Eu & Med Ports
-  Stable and reliable subagent
-  One unique administration back office in Milano
-  IT system dedicated
-  24/7 available service
-  A deep knowledge in a single port: facility, vendor, Port Authority, procedure.
