

Eolis Côte d'Ivoire

1 | About Eolis

Eolis Côte d'Ivoire is the major partner of the banana industry in Côte d'Ivoire. Eolis Côte d'Ivoire is a major player at the Port Autonome de Abidjan in the transport of containerized and conventional goods, in partnership with AEL and EAGLE.

Eolis Côte d'Ivoire has a professional team specializing in the handling and transport of refrigerated and perishable cargo, requiring a high level of responsiveness, adaptability and precision. We are also ready to make these qualities available to our customers for all types of logistics services.

Our logistics know-how is our strength within the EOLIS network.
