

Eolis Maroc

1 | About the agency

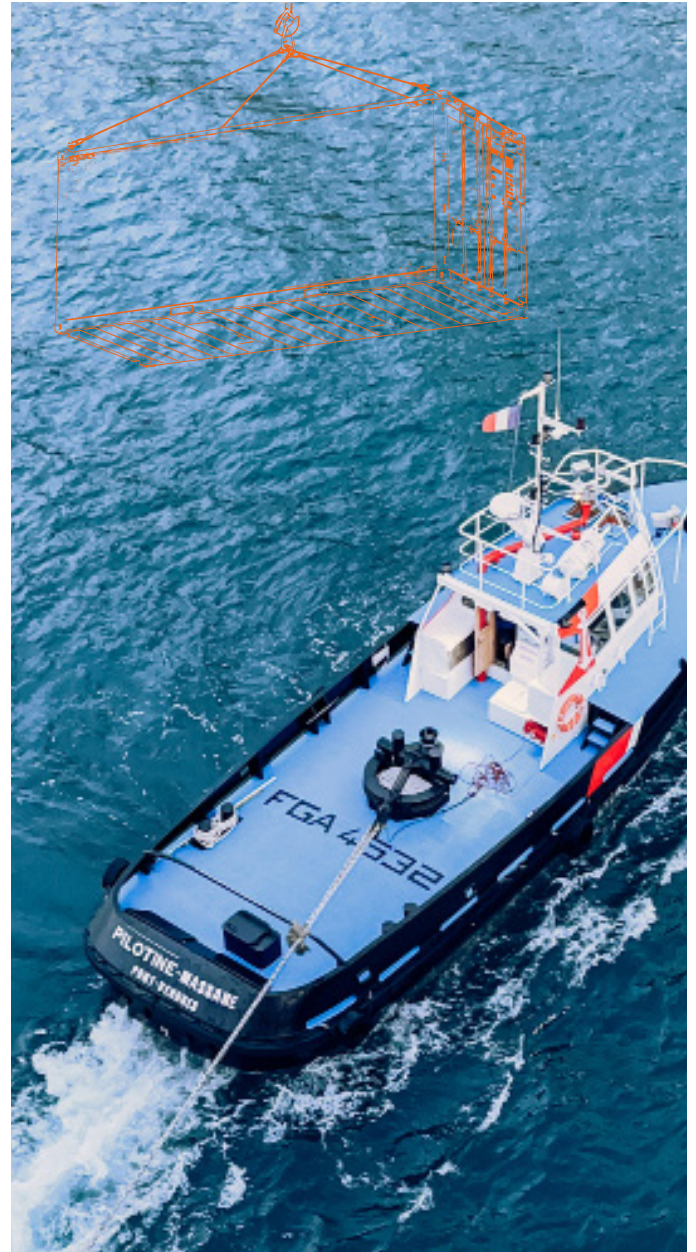

EOLIS MAROC LOGISTIQUE ET SERVICES (EMA) is a shipping company based in Agadir, a subsidiary of the COMPAGNIE FRUITIÈRE Group. EMA operates as a shipping agent on the AFRICA EXPRESS LINE (AEL) lines using the EAGLE bill of lading.

Throughout the year, we offer weekly departures from Agadir to Senegal (Dakar) in 4 days, Côte d'Ivoire (Abidjan) in 8 days, Cameroon (Douala) in 11 days and Ghana (Tema) in 13 days, with the best transit times.

Refrigerated sea freight is our speciality par excellence, and our ships are equipped with deck containers and refrigerated holds to load your perishable goods in complete safety. We guarantee container loading, with a fleet of REEFER, DRY, NOR and FLAT RACK TCs to meet your needs.

Backed by our experience in the maritime, logistics and consignment fields, our teams are permanently committed to implementing all the means, efforts and services necessary to help you carry out your import and/or export operations to the best of their ability.

Integrating an intra-group network of EOLIS agencies in all the ports we serve, we strive to guarantee you a comprehensive service with permanent communication and responsiveness from departure to arrival of your containers at destination.

2 | Services

Assistance

We are at your disposal at any time for information and assistance during your land and sea operations.

Freight from Agadir to the desired port is tracked.

Overland transport

At your request, we can also provide overland transport of your goods from the loading point to the port of destination.

We also offer delivery to the place of unloading in any city in the kingdom, with or without Genset.

Traceability

We have a traceability platform dedicated to palletized goods, which enables us to track the various scanning stages previously established (production, transport, warehousing, shipping, etc.), including the possibility of carrying out quality control by taking photos.

This service offers real-time tracking of the quantitative and qualitative routing of your merchandise.
