

Eolis Sénégal

1 | About us

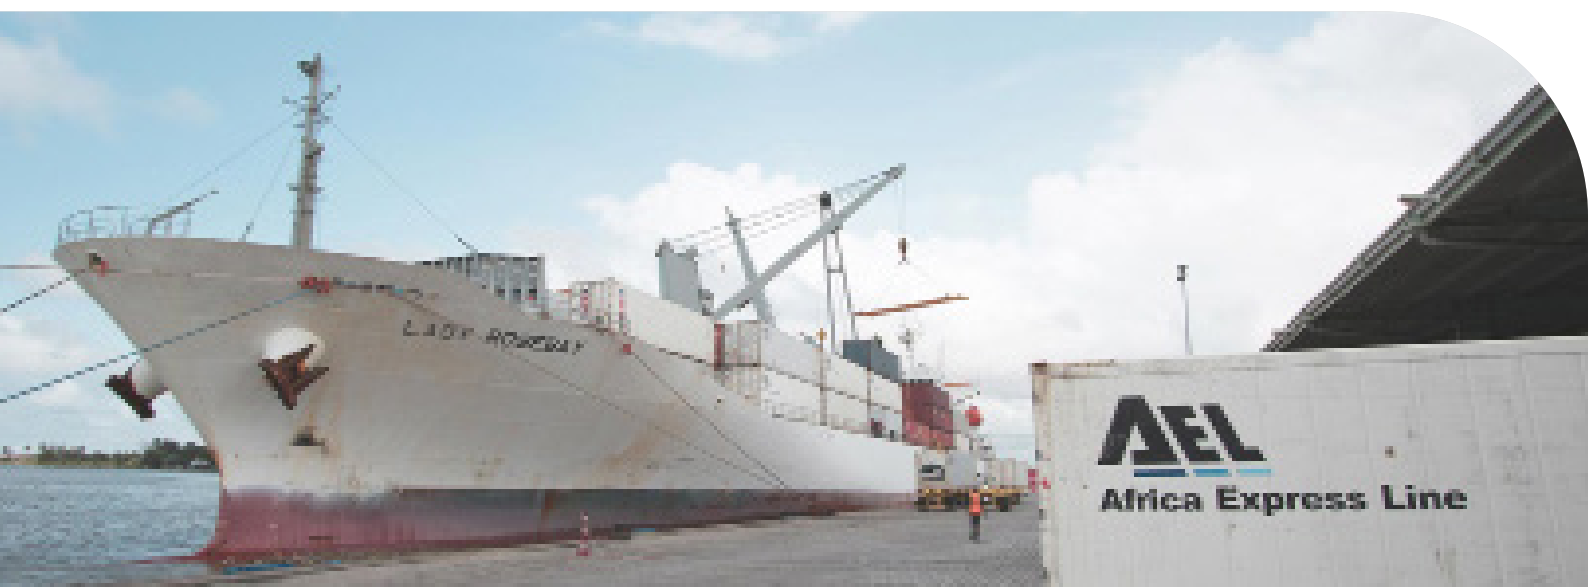

EOLIS Senegal is a shipping agency and subsidiary of the Compagnie Fruitière Group.

The Compagnie Fruitière group is the leading fruit producer in the Africa-Caribbean-Pacific zone, with integrated maritime transport through its shipping company AEL and the EAGLE bill of lading.

EOLIS Senegal is the exclusive partner of EAGLE and AEL, operating a fast and regular maritime connection between Africa and Europe all year round.

Backed by the integrated expertise of the Compagnie Fruitière group, EOLIS Senegal offers a complete and efficient logistics and shipping service, from ship consignment to customer booking, documentation management, transport and transit.

EOLIS Senegal's highly responsive teams and excellent customer approach mean we can meet all your logistics and sea freight needs.
